THE PROGRAM OPTIONS

To carry out its academic mission South Georgia State College has instituted degree options to meet the needs of its diverse student clientele. Students should select the option best suited to their personal and career interests. Each student is assigned an academic advisor to assist the student in the selection of both short and long-term career goals. All degree programs except the Bachelor of Science in Nursing (BSN) and the Bachelor of Science in Management (BSM) may be pursued on either the Douglas or Waycross campuses. The BSN and BSM programs are offered only in Douglas.

THE ASSOCIATE OF ARTS DEGREE (A.A.) AND THE ASSOCIATE OF SCIENCE DEGREE (A.S.)

These degrees consist of 60 semester credit hours plus four hours of health and physical education requirements. Students who pursue the Associate of Arts or Associate of Science degree are enrolled in transfer pathways designed to lead to the bachelor's degree at a senior college or university. Specific options are spelled out in the pages which follow this section. Students who earn the Associate of Arts or the Associate of Science degree have fulfilled completely all Core Curriculum requirements (see page 74).

THE ASSOCIATE OF SCIENCE IN NURSING DEGREE (A.S.N.)

The Associate of Science in Nursing Degree consists of 70 semester hours plus two hours of physical education requirements. Students who complete this degree are eligible to apply to take the National Council Licensure Examination for Registered Nurses, successful completion of which entitles the nurse to practice nursing and to use the title Registered Nurse (R.N.).

THE BACHELOR OF SCIENCE IN NURSING DEGREE (B.S.N.)

The Bachelor of Science in Nursing Degree consists of 122 semester hours, which includes hours earned in pursuing an A.S.N. degree. This program requires that the entering student possess a current valid R.N. license.

THE BACHELOR OF SCIENCE IN BIOLOGICAL SCIENCES (B.S.B.S.)

The Bachelor of Science in Biological Sciences consists of 124 semester hours, which includes 64 hours earned in pursuing an AS in Biology or related degree. Biological Sciences offers students two options: a Nature and Ecology or a Pre-Professional track.

THE BACHELOR OF SCIENCE IN MANAGEMENT (B.S.M.)

The Bachelor of Science in Management consists of 124 semester hours, which includes 64 hours earned in pursuit of an AS in Business Administration. The B.S.M degree requires the completion of two of three concentrations: Management and either Organizational Behavior or Marketing.

ACADEMIC PROGRAM ORGANIZATION, DIVISIONS AND SCHOOLS

Whether it leads to an Associates or a Bachelors degree, each degree option is divided into six areas: Essential Skills; Institutional Options; Humanities/Fine Arts; Science, Mathematics, and Technology; Social Sciences; and major courses. The Associate of Science in Nursing Degree includes courses from similar areas. The College believes that requiring work in these areas provides a sound general education base for its students. The nature and number of hours required in these areas will vary according to the student's program of study.

ACADEMIC SCHOOLS

The College is organized by Schools. The present structure involves the School of Arts and Professional Studies, the School of Nursing and the School of Sciences.

SCHOOL OF ARTS AND PROFESSIONAL STUDIES

The instructional programs of the School of Arts and Professional Studies are based upon the belief that the quality of life is enhanced by the acquisition of knowledge about self, others, and career. To meet these objectives, the School offers a variety of courses for academic transfer and career pathways. Pathways in the School lead to the Associate of Arts degree, the Associate of Science degree and the Bachelor of Science in Management degree. Toward these ends, the School offers courses in history, art, music, political science, sociology, theater appreciation, English composition, economics, anthropology, business and accounting, Spanish, speech communication, world literature, American and British literature, Humanities, logistics, education, criminal justice, psychology and computer information systems. The School also offers courses in practical work in journalism, theater, chorus, and creative writing.

In addition to attracting guest lecturers, providing individualized instruction, and offering course credit by examination, the School sponsors on-campus symposia and encourages off-campus learning experiences such as college-community sponsored field trips and internships that can complement and supplement the traditional classroom activity. Students may also benefit from the use of learning laboratories designed for word processing, accounting, and computer information systems.

SCHOOL OF SCIENCES

The School of Sciences offers the Associate of Science degree program with courses in biology, chemistry, computer science, health/human performance, mathematics/pre-engineering, physics/pre-engineering, pre-allied health, and recreation, and the B.S. degree in Biological Sciences. Completion of an approved A.S. pathway prepares the student for transfer to a four-year college or university. In addition, science and mathematics courses help non-science majors develop the background necessary to make informed choices on many issues affecting modern societies. Health and physical education courses help students to develop the knowledge and skills necessary to maintain a healthy mind and body.

NURSING

The School of Nursing offers the Associate of Science in Nursing and the Bachelor of Science in Nursing degrees. The School of Nursing is approved by the Georgia Board of Nursing. The ASN program is approved by the Accreditation Commission for Education in Nursing (ACEN) and the BSN program is seeking candidacy. ASN graduates are eligible to apply to take the National Council Licensure Examination for Registered Nurses, successful completion of which entitles the graduate to practice as a Registered Nurse (R.N.). B.S.N. graduates will acquire an educational credential increasingly in demand by most healthcare providers.

THE CORE CURRICULUM AND A.A. AND A.S. PATHWAYS

In accord with the policies of the Board of Regents of the University System of Georgia, the College has established a Core Curriculum which offers students a broad general education covering essential skills; institutional options; humanities/fine arts; science, mathematics, and technology; and the social sciences. In addition, students are given the opportunity to begin study in a selected major area of concentration. The Core Curriculum was established to provide the same general education for students throughout the system of public higher education in Georgia and to facilitate transfer between the various units of the University System of Georgia. Courses in the Core Curriculum apply to the freshman and sophomore years, and successfully completed Core areas will transfer with full credit to any other University System of Georgia institution. Students who earn the Associate of Arts degree or Associate of Science degree will have fully completed Core requirements. To complete all Core Curriculum requirements, the student must complete 42 semester credit hours of the core curriculum as follows:

AREA A: Essential Skills	9
AREA B: Institutional Options	4
AREA C: Humanities/Fine Arts	6
AREA D: Science, Mathematics, and Technology	11
AREA E: Social Sciences	12

In addition to the 42 hours of core curriculum courses required in all A.A. and A.S. pathways of study, all A.A. and A.S. pathways with the exception of the Associate of Science in Nursing Degree require an additional 18 semester credit hours of courses related to the program of study (AREA F), 2 semester credit hours of Health, and 2 semester credit hours of Physical Education, for a total of 64 semester credit hours.

AREA F: Courses Related to the Program of Study	18
Health and Physical Education:	<u>4</u>
TOTAL:	64

It is the student's responsibility to discuss academic plans and desired course selections thoroughly with his or her assigned faculty advisor in order to determine exactly which courses should be taken. All students are to consult with their faculty advisors in planning their course selections prior to registration for each semester. The various academic pathways appropriate to the different academic disciplines have been approved for University System institutions and should be followed if the student plans to transfer to a senior college or university within the University System of Georgia. Students who change degrees or associated pathways may have to complete additional hours of coursework beyond those required for completion of the pathway. A student who experiences difficulties in transferring credit to a University System of Georgia institution should contact the Chief Transfer Officer at that institution or at South Georgia State College. The Chief Transfer Officer at SGSC is the Director of Enrollment Services.

Students who plan to transfer to a college or university other than a University System institution should refer to the catalog of the senior college to which they intend to transfer. In some of the major academic areas, certain courses may not be taught at this institution. Again, students are urged to consult with their assigned faculty advisors to determine the extent of the applicable course offerings at South Georgia State College. Students are advised to follow the Pathway Map identified below for their plan of study for timely completion of their program.

ASSOCIATE OF ARTS: PHILOSOPHY

Students who earn the Associate of Arts degree in philosophy are prepared to transfer as juniors to a senior college or university. Students so prepared could elect to complete the bachelor's degree in philosophy. Those students could also opt for any number of programs offered by a school or college of arts and sciences. Academic advisement for this program is provided by the Division of Humanities.

**AREA A - Essential Skills

ENGL 1101	3
ENGL 1102	3
MATH 1001 (Recommended) or MATH 1111	3
	9 hours

AREA B - Institutional Options

DVRS 1101	1
Select one of the following: ANTH 1102, 1104; COMM 1110, 2000, 2010; HIST 1111, 1112; POLS 2401; SOC 2501; SABR 2001	<u>3</u>
	4 hours

AREA C - Humanities/Fine Arts

Select one of the following: ENGL 2111, 2112, HUMN 2111, 2112	3
Select one of the following: ARTS 2205; ENGL 2111, 2112, 2121, 2122, 2131, 2132; HUMN 2111, 2112; MUSI 1100; THEA 1100; or any three hour foreign language	<u>3</u>
	6 hours

AREA D - Science, Mathematics, Technology

BIOL 1010K, CHEM 1151K, or PHYS 1111K	4
Select one of the following: ASTR 1010/1010L, 1020/1020L; BIOL 1010K, 1020K, 2000/2000L; CHEM 1151K, 1152K 1211K, 1212K; PHSC 1011/1011L; PHYS 1111K, 1112K; SCIE 1111/1111L, 1121/1121L	4
One more science core course from the list above or MATH 1113 or MATH 2280	<u>3-4</u>
	11-12 hours

AREA E - Social Sciences

HIST 2111 or 2112	3
POLS 1101	3
Select two of the following: ECON 2105, 2106; HIST 1121, 1122, 2100, 2111, 2112, 2200, 2220; POLS 2100, 2200, 2401; PSYC 1101, 2101, 2201, 2103; SOCI 1101, 1160, 2293	<u>6</u>
	12 hours

**AREA F - Courses Related to the Program of Study

PHIL 1104	3
Two foreign language courses	6
Select one of the following: ARTS 2205; COMM 2010; HUMN 2111, 2112; MUSI 1100	3
Select two courses from core curriculum Areas A through E	<u>6</u>
	18 hours

ASSOCIATE OF ARTS: POLITICAL SCIENCE

Students who complete this program can transfer to almost any major or program at a senior college or university confident that the skills and knowledge acquired will be useful. However, the careers and occupations for which this preparation is especially helpful are communications, education (in numerous disciplines including political science at the elementary, secondary, and college levels), foreign service, government service (at local, state, and federal levels-civil service), international business, journalism, law, and law administration. Academic advisement for this program is provided by the Division of Business/Social Sciences. **PATHWAY MAP**

**AREA A - Essential Skills

ENGL 1101	3
ENGL 1102	3
MATH 1001 (Recommended) or MATH 1111	3
	9 hours

AREA B - Institutional Options

DVRS 1101	1
Select one of the following: ANTH 1102, 1104; COMM 1110, 2000, 2010; HIST 1111, 1112; SOC 2501; SABR 2001	3
	4 hours

AREA C - Humanities/Fine Arts

Select one of the following: ENGL 2111, 2112, HUMN 2111, 2112	3
Select one of the following: ARTS 2205; ENGL 2111, 2112, 2121, 2122, 2131, 2132; HUMN 2111, 2112; MUSI 1100; THEA 1100; or any three hour foreign language	3
	6 hours

AREA D - Science, Mathematics, Technology

BIOL 1010K, CHEM 1151K, or PHYS 1111K	4
Select one of the following: ASTR 1010/1010L, 1020/1020L; BIOL 1010K, 1020K, 2000/2000L; CHEM 1151K, 1152K 1211K, 1212K; PHSC 1011/1011L; PHYS 1111K, 1112K; SCIE 1111/1111L, 1121/1121L	4

ASSOCIATE OF SCIENCE: BIOLOGY

Students completing the program may pursue a bachelor's degree in biology at SGSC or elsewhere or a related field at a senior college or university. Biologists study living organisms and the relationship between organisms and their environment. Most careers in biology require graduate study in a life science area. Many optometrists, veterinarians, and medical doctors major in biology. Other career opportunities include work in botany, agronomy, animal science, ecology, toxicology, pathology, physiology, and biological oceanography. Academic advisement for the program is provided by the Division of Natural Sciences, Mathematics, & Physical Education. **PATHWAY MAP**

ASSOCIATE OF SCIENCE: CRIMINAL JUSTICE

This program is designed to provide academic training for pre-service and in-service students in criminal justice. The program is fully transferable to senior colleges and universities offering a B.S. or B.A. degree in criminal justice or a similar field. The curriculum is also designed for career oriented students who wish to seek employment upon completion of the program. Career opportunities at the federal, state, county, and local level include courts, corrections, law enforcement, parole, private security, and probation. Academic advisement for this program is provided by the Division of Business/Social Sciences. **PATHWAY MAP**

**AREA A - Essential Skills

ENGL 1101	3
ENGL 1102	3
MATH 1001 (Recommended) or MATH 1111	3
	9 hours

AREA B - Institutional Options

(73 hours for Secondary Education Option)

ADMISSION REQUIREMENTS INTO EDUCATOR PREPARATION PROGRAMS

To be admitted into an undergraduate educator preparation program within the University System of Georgia:

1. Students must earn a minimum cumulative GPA of 2.5 on all attempted hours in the System core curriculum in areas A-F, as required for teacher preparation.
2. Students must have completed the Regents' Testing Program requirements.
3. Students must have a passing score on the GACE basic skills assessment test. (SAT score of 1000 or higher will exempt one from the GACE basic skills assessment test).

ASSOCIATE OF SCIENCE: HEALTH AND HUMAN PERFORMANCE

Students who complete this program are prepared to transfer to a senior institution and pursue a bachelor's degree in athletic training, sports medicine, exercise science, and other disciplines related to health and human performance. Academic advisement for this program is provided by the Division of Natural Sciences, Mathematics, and Physical Education. **PATHWAY MAP**

ASSOCIATE OF SCIENCE: LOGISTICS

Students who complete this program are prepared to pursue the bachelor's degree in business administration with a major in logistics and intermodal transportation at a senior university awarding this degree such as Georgia Southern University. Transportation firms, industry and government alike employ graduates trained and qualified in the coordination of intermodal transportation and supply chain management. With appropriate advisement, the A.S. degree in Logistics also prepares graduates for the bachelor's degree in accounting, economics, finance, general business, international business, industrial relations, management, management systems, marketing, real estate, risk management, and insurance. Academic advisement for this program is provided by the Division of Business/Social Sciences. **PATHWAY MAP**

BACHELOR OF SCIENCE
in
BIOLOGICAL SCIENCES

BACHELOR OF SCIENCE IN BIOLOGICAL SCIENCES

The South Georgia State College Bachelor of Science in Biological Sciences offers students two options to engage in learning experiences that lead to rewarding careers. Students in the Nature and Ecology track will engage in study related to the unique ecological sites in the region and, upon completion, may seek advanced study or find employment in a variety of fields within governmental and private sectors. The Pre-Professional track is designed to meet prerequisite courses for entry into the professions of medicine, dentistry, pharmacology, and other health-related fields.

BACHELOR OF SCIENCE
in MANAGEMENT

BACHELOR OF SCIENCE IN MANAGEMENT

The Bachelor of Science in Management program is designed to allow students to complete two of three concentrations, each consisting of 24 credits of upper-level coursework. The concentrations are also intended to link coursework with work experiences in the areas of Management and either Organizational Behavior or Marketing. The goal of the program is to elevate the knowledge and skills of individuals who already possess the A.S. in Business and who seek the knowledge and skills needed to be effective middle managers or small business owners or who seek career advancement. Students who have not completed the Area F requirement may take up to 12 hours of these courses concurrently as program electives. The Bachelor of Science in Management program is offered on the Douglas campus only.

Area	Courses	Credit Hours
