Welcome to South Georgia State College! SGSC is a multi-campus institution that serves over 2,600 students from 111 Georgia counties, 22 other states, and 13 foreign countries. The College’s main service area encompasses 15 counties in southern Georgia. It includes campuses in Douglas and Waycross, entry programs through Georgia Southwestern State University (Americus) and Valdosta State University, and dual enrollment programs in partnership with several area high schools.

SGSC currently offers two Bachelor of Science Degrees in Biological Sciences and Nursing along with associate degrees in over 20 programs of study. Now known as a state college within the University System of Georgia, the potential exists for SGSC to offer additional baccalaureate degrees in the future.

The College is committed to achievement and utilizes a number of strategies on each campus to guide students in their academic pursuits. Among these strategies are tutoring and individualized academic guidance from professionals in their field of study. Other services, such as those meeting counseling and disability needs, help to support overall student success.

Students have the flexibility to live on campus in Douglas or plan their schedules around family and work by utilizing any of SGSC’s convenient locations. The Douglas Campus boasts two modern residence halls, which provide additional student life programming and all the amenities and comforts of home. A revitalized dining hall and the Cleaver Student Life Center offer additional social activities. Likewise, the Student Learning Center and the James M. Dye Student Services Building provide a sense of community and fun for students utilizing the Waycross Campus. SGSC also offers over 20 clubs and organizations to provide students with a well-rounded collegiate experience.

Intercolligate athletics has a rich heritage in both Douglas and Waycross, drawing athletes from throughout Georgia as well as other states and countries. The athletic program includes baseball, men’s basketball, men’s and women’s cross country, women’s soccer, women’s softball, and men’s and women’s swimming. Students may also enjoy intramural sports and individual play on numerous fields and courts on both campuses. The Douglas Campus features a nine-hole golf course and an indoor junior Olympic-size pool in its Wellness Center complex. The Waycross Campus has its own array of recreational venues, including two lakes, a paracourse walking trail that meanders through the 150-acre campus, a gymnasium, and tennis and racquetball courts.

SGSC partners with economic development officials to strengthen the quality of life in the communities it serves by hosting cultural or educational events each year. Both the South Georgia State College Foundation and the James M. Dye Foundation support the College through annual awards of tuition assistance. Funding for campus priorities not covered by the state or through tuition is also provided by the Foundations to strengthen the institution’s academic and economic footprint throughout Georgia.

For more information about the many educational opportunities available at SGSC, visit www.sgsc.edu or call (912) 260-4200 (Douglas Campus) or (912) 449-7600 (Waycross Campus).

On July 20, 2009, Cory Baldwin was named the first Head Men’s Basketball Coach of Waycross College. The Waycross Campus and community have had ‘basketball fever’ ever since. Since then, Waycross College has merged with South Georgia College to become South Georgia State College. The one constant during this six-year span is the excitement in the Waycross Campus basketball arena.

In just six seasons, Baldwin has led SGSC to two championships, 2010-11 GCAA Tournament Champions and 2014-15 GCAA Season Champions. SGSC has won 122 games during this time, which is more than 20 wins a season. Baldwin has coached two NJCAA All-Americans, two Academic All-Americans, and has won four ‘Coach of the Year’ awards during this time. He has had two GCAA Defensive Player of the Year winners, one GCAA Player of the Year, two GABCA Player of the Year winners, and 25 All-GABCA Academic Team Award winners. Most importantly, Baldwin has had 85% graduation in his 6 years at SGSC and last season was 100% with 7 out 7 sophomores graduating. SGSC has also had 44 of 44 student-athletes, who played their full sophomore season, move on to play four-year college basketball.

Prior to SGSC, Baldwin served as the head coach of the Cartersville Warriors in the World Basketball Association. Baldwin led the Warriors to a 10-4 record. He also led the Warriors to a conference best in field goal percentage defense and fewest points allowed. The Warriors were the only team in the WBA to defeat the conference champions, the Buford Magic.

The three previous college basketball seasons, Baldwin served as the head coach at Trueett-McConnell College. He compiled the third best record in the GJCAA during that time, which included a trip to the GJCAA semifinals each year. TMC was one of only two teams during that time to make the semifinals each year (Georgia Perimeter College being the other). Also, he had numerous players move on to play four-year basketball.

Prior to his work at Trueett-McConnell, Baldwin served as assistant basketball coach at Clayton State University for seven years. During those years, Baldwin was a part of many Clayton State firsts. His last five years were the most successful the program had ever seen, averaging 20-plus wins. During his coaching tenure at Clayton, Baldwin coached 17 players who went on to play professionally overseas. Before being an assistant coach at Clayton State, Baldwin was a student at CSU. While attending Clayton State, he played on the basketball team, where he was team captain his senior season for the first-ever Clayton State team to be nationally ranked in NCAA competition. Baldwin received his Bachelor of Science Degree in Health Care Management from Clayton State in 2000 and earned a Master’s Degree in Instructional Education from Central Michigan University in 2001. A career learner, Baldwin is currently taking courses in the Kinesiology Master’s program at Georgia Southern University.

In addition to his coaching responsibilities at SGSC, Baldwin is the Academic Support Center specialist. He has previously been an instructor and taught various physical education courses, health, and SGSC1000: College Orientation & Success. Teaching is not uncommon for Baldwin, who taught physical education, humanities and served as an academic advisor while at Clayton State University and Trueett-McConnell College. Baldwin is highly regarded, not only by his players and students, but also by his peers. This was displayed recently when he was nominated by the Dean of Academic Affairs and as a result, selected by the faculty to act as Faculty Marshal in the Spring 2012 Commencement exercises.

A native of Jonesboro, GA, Baldwin and his wife, Amanda, have been married for 11 years and have two beautiful children (Logan, 3 and Jerrie Marie, 9) while residing in Waycross.
