Guidelines for Receiving a South Georgia College Foundation Scholarship

Thank you for your interest in the South Georgia College Foundation Scholarship program. The information you provide in the application below will be used to match with the criteria of any available scholarships for which you may qualify. All SGC Foundation scholarships require a written essay to be submitted along with the application. In order for you to be considered for any scholarship, you must send your essay with this application. The essay should include your introduction, future goals and how scholarship funding will assist you in your educational goals. (500 word max).

We will automatically consider you for all general interest scholarships, so you will only need to fill out one scholarship application.

1. Even if you are HOPE eligible or qualify for other financial aid, you are still eligible to apply for an SGC Foundation scholarship. You must, however, complete a FASFA form.

2. In addition to the individual criteria of any scholarship the following will be used to determine final selection of recipient:
   - Financial need
   - Other outside funding or awards being received
   - Final admission acceptance by the institution

3. Finally, please send in your application and essay before the deadlines listed below:
