Percentage of Credits Hours Successfully Completed

The College monitors credit hours successfully completed vs. credits hours attempted as a measure of success of its undergraduate programs. SGSC has set its benchmark at Fall 2013 and the target is to improve by an average of two percent each fall for the next five years (overall 10 percent). Over the last four years, SGSC’s credit hours completed successfully have continued to improve every year.

Note: SGSC has set its benchmark at Fall 2013 and the target is to improve an average of two percent each fall for the next five years (overall 10 percent). The targets for Fall 2014-Fall 2018 are represented by a dashed line. Credits hours successfully completed is the sum of earned hours (with a grade of A, B, C, P or S) divided by sum of attempted hours (with a grade of A, B, C, D, F, U, W, or WF).

Note: Data for all years prior to Fall 2013 are combined for South Georgia College and Waycross College data. AY 2013-2014 is the first year of institutional consolidation.
