The College monitors degrees conferred as a measure of success of its undergraduate programs. SGSC has set its benchmark at FY2014 total degrees conferred and the target is to improve by an average of two percent each fiscal year for the next five years (overall 10 percent). Enrollment drops related to changes in learning support rules and financial aid policies led to a significant drop in enrollment after FY 2012, consequently impacting the number of degrees conferred at the college.

South Georgia State College
Number of Degrees Conferred

Source: USG ADM Census Files
Note: The benchmark is FY2014 total degrees conferred and the target is to improve by an average of two percent each fiscal year for the next five years (overall 10 percent). The targets for FY2015-FY2019 are represented by a dashed line.
Note: Data for all years prior to Fall 2013 are combined for South Georgia College and Waycross College data. AY 2013-2014 is the first year of institutional consolidation.
Note: Data for FY2015 is preliminary and is based on SGSC Banner data. Official FY2015 degrees conferred totals will not be available from the University System of Georgia until September 2015.
